School 01/2021 - 2022
Malnad English School Mysuru
Diploma in computer science
Vidya Vikas college of engineering Mysuru
BE in computer science and engineering
Vidyavardhaka College of Engineering Mysuru

VOLUNTEER PROJECTS

Encryption and decryption website 01/2024 - 02/2024
Developed a secure website section that focuses on encryption and decryption techniques, ensuring data security and privacy through various encryption algorithms.
Anti-Ragging & Bullying Reporting System 01/2025 - 03/2025
Developed a web application that enables students to report incidents anonymously or with identity verification. Implemented complaint tracking, admin roles, and automated notifications.
Business Website Development 03/2024 - 04/2024
Built a static business website with responsive design, professional interface, and JavaScript performance enhancements.
Spotify Clone - Interactive Music Player 07/2024 - 08/2024
Developed a responsive Spotify clone using HTML, CSS, and JavaScript with custom controls, dynamic playlists, and sleek UI.

EXPERIENCE

Fresher

CERTIFICATION

Information Technology Specialist in cloud computing	Javascript
Infosys	Infosys
Html	Css
Infosys	Infosys

KEY ACHIEVEMENTS

Single handedly build a full website
Developed and implemented an advanced encryption and decryption system, enhancing data security on multiple web projects.
Professional Training
Completed a 4-day intensive training program led by Mohammed Tousif, gaining expertise in modern web development practices.
